

NEED ANY

ESSENTIAL OILS ?

Think Flora-of-Madagascar !

Flora-of-Madagascar (FLORAMAD) has been producing specific essential oils from Madagascar since 2010.

Serving countries all over the world, our team strives to guarantee the best quality and purity of our oils.

Our essential oils :

- Fully pure and natural
- Controlled over every single point of the production process (from farming to distillation until shipping)
- Produced in an eco-friendly way
- Key ingredients for the cosmetics, fragrance, aromatherapy and flavoring industries.
